

BCFR Program Name: Supported Living

CARF Accreditation	Supported Living
MoHealthNet/Medicaid or Medicaid Waiver Service	Group Home/Semi-Independent Living
Population(s) served	Boone County residents with a developmental disability who meet program admission criteria.
Settings	Individuals' homes within one of our four 8-plex apartment buildings and community locations.
Days / Hours of services	Service available 24 hours a day/ 7 days per week.
Frequency of services	Daily but varies based on the needs identified in the individual's plan.
Payer sources	Department of Mental Health – DD Home and Community-Based Medicaid Waivers
Fees	A benefits wage assessment is completed and any individual resources are included to be used for living expenses
Referral sources	Targeted Case Management providers make referrals based on expressed needs of individuals/families. Individuals are placed on a consumer referral database through the Department of Mental Health.
Medication Monitoring or Administration	Yes
Description of services	Participants in our Supported Living program live in local apartments where staff help with the activities of everyday life. With our support, residents gain confidence by meeting goals and becoming more self-sufficient. The program gives those who need protection and supervision the opportunity to be a part of the community.
